## Materials used for both cards:

Die cut and embossing machine, Papicolor card Original: black (901), Card: kraft, Distress oxide ink: antique linen, speckled egg, vintage photo

### Extra needed for his card:

Collectables: COL1451 (Mini village), Craftables: CR1402 (Bendy card), Creatables: LR0524 (Horizon Woodland), LR0641 (Truck), LR0711 (Locomotive), LR0712 (Rails), Papicolor card Original: pearly white (930), Distress oxide ink: festive berries, mowed lawn, rustic wilderness, tumbled glass, twisted citron

Cut a 13.5 x 15 cm white card and a 13 x 14.5 cm kraft card. Die cut two white bendy shapes.

Cut stamping paper into two 12.5 x 14 cm rectangles. Die cut the row of trees from one of the rectangles. Colour in the other rectangle with distress oxide ink tumbled glass. Spray with water and set aside to dry.

Use the bendy shapes (inner lines of the die) to draw different landscape parts onto stamping paper and cut out. Colour them in with distress oxide inks. Adhere to the card.

Die cut the houses from stamping paper and glue dark paper behind the windows.

Die cut the trees, train and truck from stamping paper. Die cut the tyres of the truck and the locomotive from black card. Work the paper with different distress oxide inks. Die cut the rails from kraft card. Die cut the clouds from pearly white card.

Complete the card with all loose parts.

### Extra needed for this card:

Craftables: CR1548 (Gears doily), CR1549 (Home Improvement-Tools), Art stamp: MM1647 (Kampioen), Craft stencil: PS8037 (Car), Stamping ink: black, Rope

Draw the car 2x onto kraft card and cut out. Score a horizontal fold onto one car at 3.5 cm down from the top and fold this glue strip over.

Draw one slightly smaller car onto stamping paper. Cut out the windows. Colour in the paper with distress oxide ink antique linen, speckled eggs and vintage photo. Adhere black card behind the windows. Draw the door, boot/back part, bonnet/front part, and all loose parts of the car onto stamping paper and cut out.

Die cut the gears from kraft card. Die cut the tools from stamping paper. Colour in with distress oxide inks.

Stamp the text with black ink and cut out. Adhere to black card and trim leaving a 2.5 cm border. Adhere all loose parts. Then glue the two cars together with the glue strip and complete the card with a bow of rope.

### Materials:

Creatables: LR0711 (Locomotive), LR0712 (Rails), LR0524 (Woodlands), LR0556 (Forest trees), Craftables: CR1548 (Gears doily), Die cut and embossing machine, Distress ink: various shades, Paper set: PK9176 (De natuur in), Papicolor card Original:

nut brown (939), pearly white (930), dark green (950), grass green (907), Decoration paper: CA3127 (silver)

Cut a 13.5 x 13.5 cm brown single-fold card and adhere 12.5 x 12.5 cm chequered design paper. Die cut the gear doily from brown card and work the edges with dark brown distress ink. Use the round die of the gears set to die cut a white circle and work the edges with light blue distress ink.

Die cut the horizon with trees from 9 x 9 cm light green card. Cut the green card into the right shape with the round die of the gears set. Work the edges with brown distress ink.

Die cut the pine trees from dark green card and work with brown distress ink. Die cut the rails from brown card and work with dark brown distress ink.

Die cut and emboss the locomotive from black and white card. Die cut the cowcatcher of the locomotive from silver-coloured decoration paper. Die cut the steam cloud from white and work with brown distress ink. Cut off the black locomotive from the wagons and place the die back onto the locomotive. Work the openings in the die with a light-coloured distress ink. Then place the die onto the wagons and work them with brown distress ink. The roof can be given another colour, but it can also be die cut and embossed a second time from a piece of white paper, and then worked with red or grey distress ink. Then cut off the white locomotive from the wagons, making sure there is enough paper left at the front to adhere the black locomotive. Adhere all parts together, creating the impression that the train is riding out of the circle. Decorate the card with suitable texts.

wide, double-sided), Acryl stamping block, Clear stamps: HT1633 (Hetty's in the meadow, birds used), HT1634 (Hetty's border-Sky is the limit, air balloon and plane used), HT1635 (Hetty's Sunny days, clouds used), HT1663 (Fisherman), Distress ink: walnut stain, pumice stone, Stamping ink: Memento tuxedo black, Illustrator Markers by Spectrum Noir: BG1 brown grey 1, BT1 pale mint, DG2 bamboo, DG3 camo green, DG4 forest green, EB4 earth brown, FS8 eggshell, GB2 caramel, GB9 oak tree, IG1 ice grey 1, MB1 muted brown, RB1 pecan, TB1 pearls blue, Marker papier: Neenah Classic Crest card 216 gsm, Papicolor card Original: baby blue (956), lavender (921), taupe (961), light blue (964), Rhinestones: CA3136 (silver), CA3157 (light blue), Thread: white

Hand cut a 15 x 15 cm white top-fold card and a 14.5 x 14.5 cm baby blue square, but do not adhere yet.

Die cut the mountain and the border with soil, work with ink and lay aside.

Use Creatable 'ocean view' to die cut the strips of water of different colours.

Now take the baby blue square and adhere the mountains and snow. Then the three strips of water (+/- 2 cm apart) and finally the soil. Cut and tear a 14.5 x approx. 2 cm strip of design paper and adhere along the bottom of the card.

Die cut the jetty, plants and trees. Adhere partly behind the torn edge of the design paper.

Die cut the bobber and hook from different colours, cut out the white and light green parts and adhere to the bobber. Tie a length of white thread through and attach the hook.

Stamp the images onto marker paper, die cut and hand cut them and then adhere to the card, the fisherman with 3D-tape, and complete the card with texts and rhinestones.

#### Extra needed for this card:

Craftables: CR1484 (Fox by Marleen), CR1485 (Deer by Marleen), CR1507 (Card stand Extra), CR1542 (Potted plants by Marleen), Creatables: LR0535 (Wooden signpost),

Draw the outline of the mountain and the tent separately onto pearly white card and cut out.

Use the inner lines of the stencil to decorate. Draw them onto the reverse side of design paper. Do not forget to turn the stencil over to avoid drawing in mirror image. Cut out and adhere, the mountain partly behind the tent.

Die cut the trees with the gate folding die. Cut the branches near the straight line in a nicely curved line.

Die cut the parts of the deer and fox. Assemble and place dots in their eyes and on their noses with a white gel pen. Adhere the deer, trees and fox (this one with 3D-tape) as per example given. Die cut the plants and signpost and adhere.

Adhere the images (PK9176) of the fisherman and campfire with 3D-tape. Adhere texts to the signpost and decorate the campfire with rhinestones.

Finally die cut a card stand and glue behind the card.

#### Extra needed for this card:

Craftables: CR1551 (Big tag), Art stamp: MM1645 (Soccer), Mask stencil: PS8081 (Slimline dots), Distress oxide ink: cracked pistachio, mowed lawn, evergreen bough, black soot, Craft sheet, Hemp cord: black

Cut 11 x 17 cm stamping paper. Press the distress oxide ink cracked pistachio ink pad a few times onto the craft sheet, spray with water and press the card into the ink a few times. Set aside to dry or use a heat tool.

Repeat the process with the distress oxide inks mowed lawn and then evergreen bough. Dry the card after new each colour. Finally splash a few water droplets onto the card and dry again. Then die cut the biggest tag and reinforcement piece.

Stamp the soccer player and text.

Use the mask stencil and distress oxide ink black soot to make black dots on the left and right-hand side.

Adhere the tag to larger black card. Punch the hole through the black card and thread hemp cord through it.

#### Extra needed for this card:

Craftables: CR1537 (Slimline frames), CR1538 (Slimline banners), Art stamp: MM1646 (Fishing), Maskstencils: PS8081 (Slimline dots) PS8089 (Army alphabet)

Papicolor card Recycled kraft: grey (322), Distress oxide ink: cracked pistachio, evergreen bough, pine needles, Baby wipes

Die cut the one but largest Craftable from stamping paper and work with ink. Place the craft stencil with army alphabet on top and use a baby wipe to remove the ink from a few letters. Repeat this with the dots along the bottom, where the water will be. Stamp the scenery of the fisherman on the left-hand side of the card. Then take the stamp and apply ink to the reed only and stamp more reed on the right-hand side. Make the images fit nicely. Stamp a few fish and a text.

Adhere the decorated card to a larger black die cut card and then onto a 9.8 x 21 cm single-fold kraft card. (Take a sheet of A4-kraft card, cut off 10 cm and then fold in half.)

#### Extra needed for this card:

Craftables: CR1537 (Slimline frames), CR1538 (Slimline banners), Art stamp: MM1644 (Airplane), Mask stencil: PS8089 (Army alphabet), Distress oxide ink: speckles egg, faded jeans, weathered wood, Card: light blue

Die cut the one but largest Craftable die from stamping paper, work with droplets of water and set aside to dry.

Place the craft stencil with the army alphabet on the left-hand side of the card. Apply distress oxide ink weathered wood through the big letters, then fade them out a little from left to right using a baby wipe. Reposition the stencil and repeat the process to create a border of big letters.

Stamp the art stamp in the centre of the card and repeat a few small details near the top and bottom to fill the card. Stamp the text and loose gears.

Adhere the decorated card to a larger die cut black card and then to a 9.8 x 1 cm light blue single-fold card.

(Take a sheet of A4 light blue card, cut off 10 cm and then fold in half.)

**Extra needed for this card:**  
 Craftables: CR1551 (Big tag),  
 Art stamp: MM1643 (Toys for boys), Mask stencil: PS8090 (Camouflage), Stamp+die set: CS1058 (Banners by Marleen), Distress oxide ink: shabby shutters, forest moss, walnut stain, Hemp cord: black

Cut 11 x 17 cm stamping paper and work with distress oxide ink shabby shutters. Work the card with the camouflage craft stencil and distress oxide ink forest moss. Flip the stencil over, place it on the card again and now work with distress oxide ink walnut stain.

Then die cut the big tag and reinforcement piece.

Stamp the art stamp, a few loose gears and tools. Stamp the text, die cut with a banner and cut to size.

Adhere the tag to slightly larger black card, punch the hole through the black card and thread hemp cord through it.

#### Tip:

On the You Tube channel of Marianne Design you will find a video that shows how to make this card.

The basic card is a kind of three-sided tower.

Cut 3x white card measuring 13.5 x 13.5 cm and fold diagonally.

Cut 3x design paper measuring 13 x 13 cm and cut in half.

Adhere the triangles to the basic card (see photo\*).

Assembling (see drawings\*): Turn card 2 a quarter turn to the left, adhere against the mountain fold of card 1. Turn card 3 a quarter turn to the left and adhere against the mountain fold of card 2. Adhere one half of the velcro near the mountain fold of card 3 (see drawing\*) and the other half to the corresponding spot on the reverse side of card 1.

Cut and tear a 2.5 x 11 cm strip from design paper with planks motif. Cut a 1.4 x 4.5 cm white strip and stamp a text. Cut a 3 x 5.3 cm white strip, stamp a text and adhere to 3.4 x 5.7 cm design paper.

Die cut the motifs needed from various card and design paper colours. Complete the card as per example given.

#### Extra needed for this card:

Craftables: CR1537 (Slimline frames), CR1538 (Slimline banners), Text stamps: CS1051 (Handgeschreven baby), CS1085 (New born), Decoupage sheet: AK0085 (Eline's Babies & Lambs), Enamel dots: PL4518 (blue)

Cut a 13.5 x 13.5 cm white top-fold card and adhere 13 x 13 cm blue design paper. Cut a 12.5 x 12.5 cm white card and use Memento summer sky ink to stamp the hands and feet and Versafine onyx black for the text.

Cut a 1.5 x 10 cm strip from dotted design paper and cut a V-shape into the ends. Cut a 1.5 x 9 cm plain strip too.

Die cut the motifs needed from various card and design paper colours. Complete the card as per example given.
