Cut a 15 x 15 cm single-fold card from white velvet.

Cut 14 x 14 cm watercolour paper. Apply distress ink to a craft sheet, spray water on top. Press the watercolour paper multiple times into the ink (smooshing technique), until you are happy with the colours and smudges. Make splashes on the card with ink and a brush and do the same with the Posca marker. Then stamp the dewdrops background with transparent Versamark ink and the stamp master. Sprinkle white embossing powder on top, heat with a heat tool and colour in with distress ink. Die cut the text shadow from white card and double-sided adhesive foam sheet. Die cut the text from watercolour paper. Colour with distress ink. Adhere the text to the text shadow and then to the foam shadow. Stamp, die cut and colour the water lily. Adhere the layers to the card and decorate with snowflakes enamel dots.

### Extra needed for this card:

Cut a 15 x 15 cm single-fold card from white velvet. Die cut the background 3x from white velvet, adhere together neatly and then to the card.

Die cut strips of different widths and in different pink colours. Die cut the narrow strip from gold-coloured card. Arrange the strips on a scrap of card and cut to size. Adhere to the background layers as per example given. Cut off the edges. Die cut the text shadow from white vellum and white card. Die cut the text 3x from white card and 1x from black. Stack and adhere with the black one on top. Adhere the text pile to the vellum shadow and then to the white shadow. Adhere to the card and complete the background with adhesive rhinestones.

### Extra needed for this card:

Stamp+die set: TC0894 (Tiny's Butterfly XL), Stamps: TC0908 (Tiny's Art Butterflies), CS1124 (Vanuit het Hart), Stamp

master: LR0029, Stamping ink: Versamark transparent, Versafine clair nocturne, Embossing powder: white, Nuvo pigment powders: golden sparkler, fantail firecracker, Metallic paper A4: CA3175 (mint), Vellum, Watercolour paper, Craft sheet A4: LR0040, Heat tool, Water spray bottle

Cut a 10.5 x 21 cm top-fold card from velvet.

Cut 9.5 x 20 cm watercolour paper. Use transparent Versamark ink and the stamp master to stamp the background with small butterflies. Sprinkle white embossing powder on top and melt with the heat tool.

Stamp the large butterfly with Versamark ink on vellum, and work as mentioned above. Die cut the butterfly.

Place the watercolour paper on the craft sheet and sprinkle grains of pigment powder sparingly on top. Spray with enough water until the powder dissolves, creating a colourful background. Dry the paper with a heat tool or set aside. Then stamp a black text. Adhere the watercolour paper to 10 x 20.5 cm mint metallic paper and then to the single-fold card. Adhere the big butterfly as shown and bend its wings up a bit.
