Draw the outlines of the craft stencil onto pearly white card and cut out. Standing card: draw the craft stencil 2x, 1x the normal way and 1x in mirror image. Cut both out. Take the mirrored one (the back panel) and score a horizontal line at 5 cm from the top and fold over. Stick this part onto the reverse side of the front panel. Use the inner lines of the stencil to decorate the card. Draw them onto the reverse side of (design) paper. Do not forget to turn the stencil over, to avoid drawing a mirrored image. Cut out all parts and stick them onto the card. Put aside the two parts for the water to use later on. Die cut the clouds and birds and stick them to the card. Attention: only apply tape to the parts that will be covered later on. Die cut the sailing boat and cat, stick them together and then onto the card. Layer the dark blue wave on top. Die cut the whale, stick together and then with 3D tape onto the card. Work the other wave with ink and the mask stencil. Then stick them to the card with 3D-tape. Die cut the fish, a light red banner, stamp a text and stick them onto the card. Follow the general instructions.
