Die COL1351 consists of parts for a chicken, a chicklet and an egg. Variations can be made by making mirror images and using the belly of the chicklet as a wing. Die cut the belly and wings from design paper or kraft card and the eyes from black card. The bill, comb and wattle can be made from red card or design paper. Ink around the edges of the wings and apply glue to one small end only to create a 3D-effect.

Cut a 15 x 10.5 cm white card; layer with design paper. Cut 13.5 x 9.5 cm white card; work the edges with a paper distresser. Stamp the swirl with Versamark ink and apply some yellow and orange Pan Pastels. Use the chickenwire template to apply molding paste, using a scoop or an old credit card. Mount the layer onto the design paper. Die

cut and make the chicken and egg (see General). Work the edges of the egg with Versamark ink and then with Pan Pastel light gold. Stick two feathers to the card and place the chickens on top. Complete the card as shown.

Cut a 15 x 9 cm birch white single-fold card. Cut 8 x 15 cm design paper; work the top with COL1315, ink around the edges. Stamp the swirls with Versamark and work them with a used sponge with brown Pan Pastel, to make them blend in

with the background. Attach the tab with text and layer onto the base card. Make the chicklet (see General) and layer it onto a round and scalloped circle. Complete the card.

Die cut and make the chicklet (see General) and mount onto a round and scalloped circle. Attach the flower and leaves. Die cut the scalloped open-edge square from design paper; while still in the die work with vintage photo and then with walnut stain ink. Die cut the larger square from birch

white card, ink around the edges; fold in half and around the bag with Easter eggs. Tie red/white rope around the square from design paper, fold in half too and attach to the base with foamtape. Complete the card.
