## Masking techniek

### General instruction:

To stamp a partial image, use the 'masking' technique and create layered, interacting images.

1 This is what you will need

2 Stamp the images on a Post-it

3 Cut them out neatly

Tutorial by  
Wilga van 't Zelfde  
[mypaperpasion.blogspot.nl](http://mypaperpasion.blogspot.nl)

4 First stamp the image in front

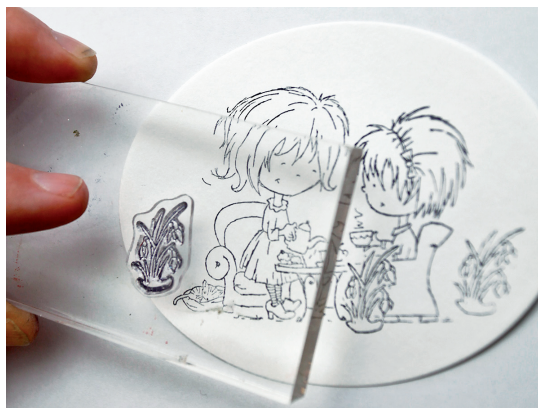

5 Mask the stamp with the cut-out image

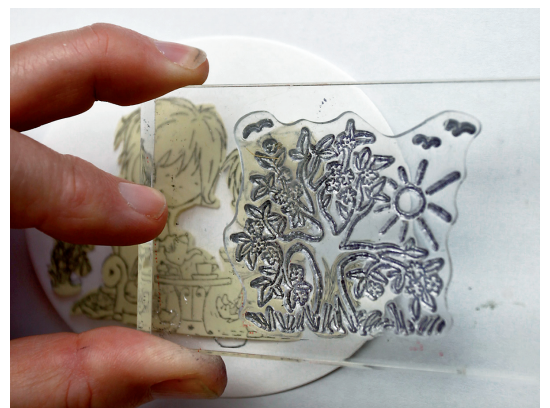

6 Stamp the image of Daisy and her friend on top

7 Mask the image

8 The flowers at the sides can be stamped without masking

9 Mask all images carefully when stamping the flowers

10 Result up till now

11 Stamp a sun

12 Now remove all masks

13 The image is ready to be coloured in.
