Cut a white single-fold card 12 cm high and 15 cm long. Open the card and make incisions at 3.5 and 8.5 cm to create three strips (see drawing). Layer 3.1 x 15 cm light blue card and 2.8 x 15 cm design paper onto the 1st and 3rd strip. Fold the central strip in half. Layer 4.6 x 7.5 cm grey card and 4.2 x 7.5 cm design paper to the top half. Layer 7 x 15 cm design paper inside the card. Adhere the 1st and 3rd strip onto it, using double-sided tape. Adhere a 2.7 x 12 cm silver-coloured strip at 2/3rd of the card. Die-cut the elephant numbers twice from light blue and grey card and adhere overlapping for a shadow effect. Die-cut two snowflakes from snow paper. Adhere to the silver-coloured strip. Die-cut/emboss the skis, work with distress ink pumice stone and adhere. Die-cut a decorative square (CR1332) from silver-coloured decoration paper and mount 9 x 9 cm design paper on top. Emboss sparkles into a white 8.2 x 8.2 cm square. Cut 4.5 x 9 cm snow paper, tear off a strip from the long side and adhere to the square. Die-cut the mountains 2x from snow paper and silver-coloured paper. Die-cut the igloo, penguin, ski poles and snow star from various card colours. Cut a 1.1 x 5.2 cm light blue strip and stamp the text onto it. Finish the card off with enamel dots and foam clay.

### Extra needed for this card:

Collectables: COL1415 (Sleigh), Craftables: CR1359 (Basic passe-partouts with stitched border), Creatables: LR0378 (Spruce), LR0379 (Pine), LR0412 (Label), Clear stamps: EC0157 (Christmas Handlettering)

Cut a 9 x 27 cm white strip and score at 9 and 18 cm. Cut a 9 x 18 cm strip and score at 9 cm. Adhere the third square of the first strip behind the first square of the second strip, using only glue along the bottom and the sides, creating a pocket for the label. Die-cut the label from white card and design paper. Cut a 5.8 x 8 cm white metallic rectangle and stamp the text onto it. Adhere the text to the label and tie a ribbon to it. Cut four 8.8 x 8.8 cm squares from design paper. Using CR1359 die-cut four passe-partouts from light blue card. Use the same stencils to die-cut four silver-coloured squares and emboss them with the Design folder. Cut 4 x 8 cm snow paper, tear off a strip from the long side and adhere to the bottom half. Die-cut the mountains twice. Adhere the light blue frames using foam tape. Die-cut the pine, spruce, penguins, igloo, sleigh and elephant numbers from different card colours and snow paper. Finish off the card with enamel dots and foam clay.

Stamp the text onto a piece of design paper and mat on metallic red lacquer. Apply crackle paint again. Finish off the card with enamel dots.

#### General instructions Wreath:

1. Die-cut the wreath from four green colours. More layers will create a thicker wreath. Use the darkest colour as your basic wreath.
2. Cut off the leaves/twigs of the other wreaths. Shape the leaves with your nail or a pair of tweezers.
3. Shape some of the leaves of the basic wreath too.
4. Adhere the leaves overlapping, using a little glue. Vary in colours and shapes.
5. Add the remaining twigs and berries.
6. Let the glue dry, if needed in between adding new items.

Cut kraft into a 15 x 15 cm single-fold card. Cut design paper with planks into 14 x 14 cm.

Die-cut the Christmas bells from silver paper and adhere to the card using 3D-foam tape. Die-cut the parts of the wreath from white card, snow paper, silver paper and kraft. Apply modelling paste to the silver-coloured and brown twigs. Build up the wreath according to the step-by-step instructions. When dry attach the wreath to the card just above the bells. Finish off the wreath with a die-cut bow with white dots, made with a gel pen.
