

# The Collection #47

By Marianne Perlot

## General instructions:

Cut an A4-sheet into a 11.5 cm strip and place the template at 4 cm in from the right-hand side.

Die-cut and emboss the template. Score on each side at 1.5 and 3 cm in from the edge of the template.

- Fold the window and paste the narrow strip to the reverse side.

## Materials used for both cards:

Craftables: CR1389 (Card with a view), Creatables: LR0378 (Tree), Die-cut and embossing machine, Decoupage sheet: IT590 (Tiny's Background Winter), Papicolor card: Original olive green (945) and brick red (935), Recycled kraft brown, Enamel dots: PL4510 (gold and silver)

## Extra needed for this card:

Creatables: LR0435 (Petra's Poinsettia), LR0436 (Petra's Flower bowl), LR0437 (Petra's Twigs set), LR0438 (Petra's Larch), Inypad: gold, Papicolor card: Original Christmas red (943) and red (918), Decoration paper: CA3126 (gold)

Make the card from kraft paper as per the general instructions. Do not paste it yet, it is better to do this later on. Die-cut the parts from different card colours. Die-cut the text from red and gold and layer together slightly overlapping making the gold create a shadow behind the red. Cut a picture from the decoupage sheet and adhere against the reverse side. Decorate the front with the text, a tall tree and flowers with sprigs and twigs. Die-cut the decorative border from gold and adhere in such a way that the curls can be adhered to the reverse side. The edges of the flowers can be dabbed with gold-coloured ink.

## Extra needed for this card:

Craftables: CR1387 (Wreath), CR1345 (Ice crystals Arch), Creatables: LR0392 (Icicles), LR0352 (Labels set), LR0377 (Moose), LR0448 (Mix & match-Bows), Inypad: black, Papicolor card: blue (955), Recycled kraft black, Decoration paper: CA3127 (silver), Snow paper: CA3104, White flowers: RB223

Make the card from kraft paper as per the general instructions. Do not paste it yet, it is better to do this later on.

Die-cut the parts from different card colours. Snow paper will give a very pretty effect.

Cut a picture from the decoupage sheet and adhere against the back. Die-cut the big label from kraft paper. Distress the kraft paper if you like. Before adhering the label make a nice arrangement of the separate parts. Stamp, before pasting the card together, the word 'white' in black ink.

Die-cut the word 'Xmas' from blue and brick red and layer together slightly overlapping making the red colour create a shadow.

**Materials used for both cards:**

Creatables: LR0267 (Eline's chair and lamp), Craftables: CR1343 (Christmas bells), CR1384 (Punch die-Christmas ornaments), CR1389 (Card with a view), Die-cut and embossing machine, Stamps: CS0979 (Dutch Christmas and winter wishes), Inkipad: black, Decoupage sheet: IT587 (Tiny's winter), Papicolor card Original: carnation white (903), olive green (945), pine green (950), moss green (951), Lace

**Extra needed for this card:**

Creatables: LR0268 (Eline's cupboard and frame), Inkipad: gold and sepia, Design paper: PK9138 (Canadian Fall), Decoration paper: CA3126 (gold), CA3121 (gold glitter), Enamel dots: PL4510 (gold and silver)

Fold the card as per the general instructions. Do not paste it yet, it is better to do this later on.

Die-cut the cupboard and lamp from kraft. Use design paper for the back of the cupboard. Work the embossed parts with sepia-coloured ink. Die-cut the Christmas decorations from gold and gold glitter. Die-cut the holly leaves from three green colours. Create a Christmas bouquet on the cupboard and decorate with gold-coloured ornaments.

Die-cut the picture frame from gold and layer a picture from the decoupage sheet behind to create a wintery scene.

Create lace curtains behind the window and decorate the outside of the window with an arch of holly leaves with a gold-coloured bow and a Christmas wish. Add a glittering gold-coloured enamel dot to the bow.

Cut a narrow piece of paper and adhere with foamtape, creating a flower box and fill it up with holly leaves.

**Extra needed for this card:**

Creatables: LR0440 (Knitted hat and mittens), Inkipad: black, Decoration paper: CA3104 (snow paper), CA3127 (silver), CA3122 (silver glitter)

Fold the card as per the general instructions. Do not paste it yet, it is better to do this later on. Adhere a picture from the decoupage sheet to the back of the card. You are looking from inside the room to the world outside. Create a curtain using a length of lace. Die-cut bricks from snow paper and adhere to the wall randomly. Die-cut the holly leaves from three green colours and use them to make an arch along the top of the window. Die-cut Christmas ornaments from silver and silver glitter to decorate the holly leaves.

Die-cut the chair from silver and design paper, cut the seat from the last one and adhere to the chair.

Die-cut the hat and mittens from design paper and white card. Finally stamp suitable season's greetings onto a label and tie it to the window.
