Materials used for both cards:

Creatables: LR0453 (Tiny's Cottages), Die-cut and embossing machine, Distress ink: Victorian velvet, pumice stone, Inkpads: Memento Luxe (wedding dress), Design paper: PK9143 (English Roses), Papicolor card: Original carnation white (903), dark green, pink, Tulle ribbon: JU0924, Dried moss

Extra needed for this card:

Craftables: CR1375 (Basic shapes-distressed Square),
Creatables: LR452 (Tiny's Foxgloves), Decoupage sheet: IT 591 (Tiny's English Garden)

Cut a 15 x 18.5 cm carnation white strip and score folds at 1 cm, 2.5 cm, 4 cm, 14.5 cm, 16 cm and 17.5 cm. Cut two squares: carnation white 15 x 15 cm and design paper 14 x 14 cm. Tear two strips of design paper with roses and adhere all layers to the card. Cut an 8 x 8 cm square from the centre of the card.

Die-cut a border from carnation white card with two Craftables squares at the same time.

Then adhere the scored and folded carnation white strip behind the aperture, but first adhere the picture.

Die-cut the foxgloves flowers from pink and the leaves from green. Work the leaves with white ink and the flower with distress ink Victorian velvet. Adhere the flowers to the card.

Die-cut the cottage from carnation white and brown card. Cut off the roof of one cottage. Work the carnation white cottage with distress ink pumice stone and the roof with white ink and then adhere. Finish off the card with a bow and dried moss.

Extra needed for this card:

Craftables: CR1360 (Basic passe-partouts, Circle),
Creatables: LR451 (Tiny's Rose), Decoupage sheet: IT 592 (Tiny's English Garden)

Cut a 15 x 15 cm carnation white single-fold card and 2x design paper 14 x 14 cm. Tear off the corners of the pink design paper with roses. Ink the design paper with distress ink pumice stone and adhere the layers together (except the roses for the right-hand corner).

Die-cut a carnation white border with two circular dies at the same time. Layer the picture behind. Adhere to the card raised with 3D-glue/tape. Die-cut the flower of the rose from pink and the leaves from green. Work the leaves with white ink and the rose with distress ink Victorian velvet.

Adhere the rose to the card together with the corner of roses.

Die-cut the cottage from carnation white and brown card stock. Cut off the roof of the brown cottage. Work the cottage with distress ink pumice stone and the roof with white ink. Adhere the roof. Finish off the card with a bow and some dried moss.

Materials used for both cards:

Craftables: CR1390 (Nest dies-Stitch Rectangle), CR1391 (Nest dies-Ticket), Clear stamps: TC00846 (Tiny's Single Rose), TC0849 (Tiny's Border Foxgloves), CS0940 (Text), Inkpad: Versafine black, Hero Arts-soft granite, Water colour, Distress markers: peeled paint, worn lipstick, weathered wood, tumbled glass, Design paper: PK9143 (English Roses), Papicolor card: pearly white (930), army green (954), Brush, Enamel dots: PL4503 (black and white), Jute twine, Silk lace: JU0914 (white),

Cut an 11 x 15 cm green top-fold card. Die-cut 9.5 x 13.5 cm design paper and mat on pearly white. Stamp the image onto water colour paper and colour in with distress markers. Stamp parts of texts along the sides, using Hero Arts-soft granite ink. Die-cut the image and tie lace around it, make a bow with jute twine. Die-cut a similar green rectangle. Adhere them overlapping. Then mount onto the card with foam pads. Finish off with enamel dots.

Cut an 11 x 15 cm pearly white single-fold card. Cut 9.5 x 13.5 cm design paper and mat on other design paper. Stamp an image onto water colour paper and colour in with distress markers. Colour the blue sky in with tumbled glass. Die-cut the image. Die-cut the inside of the image with a smaller die. Tie ribbon with jute around the frame. Adhere the image and the frame onto the card. Finish off with enamel dots.

Materials used for all cards:

Inkpads: Versafine, Stars shine silver

Extra needed for this card:

Clear stamps: KJ1704 (Sparkle & Shine), Embossing powder: silver, Card: white and silver, heat tool

Stamp the words Stars, Shine and Sparkle onto a 9 x 15 cm white card. Emboss in silver. Stamp small texts in between the words in black ink to make the sentence 'look for the Stars when it's dark Shine all day and choose to Sparkle like you own the universe'.

Stamp different small stars in slanted strips around and between the text.

Adhere the white card with 3D-foam pads or craft foam onto a 10 x 15 cm single-fold silver-coloured card.

Stamp stars and stripes inside the card, to make it look like the stars are hanging from the top of the card.

Add the text 'you were born to light up your world'.

Extra needed for this card:

Clear stamps: KJ1704 (Sparkle & Shine), Embossing powder: gold, Card: black and gold, Heat tool

Stamp the words Stars, Shine and Sparkle onto a 10 x 15 cm white card. Emboss in gold.

Stamp between the words small texts in black ink to make the sentence 'look for the Stars when it's dark Shine all day and choose to Sparkle like you own the universe'.

Stamp stardust in the left-hand bottom corner and a big and small star in the right-hand top corner. Emboss in gold.

Stamp in black ink two lines attached to the stars, to make it look like they are hanging.

Stamp onto black card a pattern with the text 'leave a sparkle wherever you go' (use the download from makerisme.nl/kjmd) and emboss in gold.

Adhere the white card with a strip of black and gold-coloured card to a 15 x 15 cm single-fold card.

Stamp on the inside the text 'leave a sparkle wherever you go' and decorate with stars and diamonds.

Extra needed for this card:

Craftables: CR1361 (Stitched borders-Waves and Clouds), Die-cut and embossing machine, Clear stamps: KJ1702 (Gewoon Speciaal), Card: white or watercolour paper, Tombow dual brush markers, Glitter pen: Wink of Stella (clear)

Make a background on watercolour paper or sturdy card using the Tombow dual brush markers in blue shades and water (watch the video on makerisme.nl/kjmd).

Cut the background 10 x 15 cm.

Die-cut the cloud (CR1361) 3x from white card. Adhere two clouds to the top of the card using foam tape.

Stamp under the clouds the text combination 'jij bent speciaal voor mij' (you are special for me).

Stamp under the text flowers with stems and leaves. Colour in the leaves. Stamp the flowers onto white card too. Colour and cut out. Adhere them in the right place on the card.

Adhere the last white cloud with foam tape at the bottom of the card and stamp one of the small text onto it.

If you dare you can cut the text stamps into separate words and make the sentence 'ik moest aan jou denken' (I was thinking of you). Watch the video on makerisme.nl/kjmd.

Extra needed for this card:

Collectables: COL1314 (Notepaper, tabs and text), Craftables: CR1353 (Labels XL & XS), Creatables: LR0411 (Labels), LR0450 (Lots of love), Design folder: DF3431 (Dots), Die-cut and embossing machine, Clear stamps: KJ1703 (Hartjesregen), Inkpad: Stazon jet black, Card: black, white, mint green, Decoration paper:

CA3121 (gold), Snow paper: CA3104, Vellum, Circle punch: 1,25 cm ø, Stapler, Sequins, Project NL 3D-stickers: black and white, Black thread

Die-cut a label (LR0411) from white and mint green card. Emboss the dots onto the white label (DF3431). Keep both labels together and cut off slantwise. Make one label with a mint green top and white bottom with a strip of gold-coloured paper in between.

Stamp the text 'jij verdient een knuffel' and staple to the label.

Die-cut a label from snow paper and black card too.

Make a pile of three labels and a piece of gold-coloured card.

Stamp 'dankjewel' and 'allerliefste' onto two tabs, die-cut with COL1314 and place between the big labels.

Make a cluster with

- a star (CR1353) from gold-coloured paper
- a heart from snow paper
- black thread
- a small black heart from Project NL stickers

Adhere the cluster in the top left-hand corner of the label.

Stamp the hearts pattern onto 15 x 15 white card (see makerisme.nl/kjmd).

Adhere the pile of labels.

Finish off the card with a cluster of banners in gold, mint green and black card. Staple them to in the top left-hand corner of the card.

A stamped heart completes the card.

Extra needed for this card:

Craftables: CR1360 (Basic passe-partouts-stitched Circle), Die-cut and embossing machine, Design paper: PK9143 (English Roses), Card: white, Transparent plastic, Beads, Sequins

Extra needed for this card:

(gold), Snow paper: CA3104, Vellum, Sequins, Circle punch: 1,25 cm ø, Black thread

Extra needed for this card:

Craftables: CR1359 (Basic passe-partouts-stitched Square), CR1390: (Basic passe-partouts-stitched Rectangle), CR1392: Banners-Dots and Hearts, Die-cut and embossing machine, Clear stamps: KJ1701 (Joepie Geniet), Inkpads: Versafine black, Stazon jet black, Design paper: PK9143 (English Roses), Card: white and black, Transparent plastic,

Decoration paper: CA3121 (gold glitter), Craft foam

Stamp the text 'wat ben je toch lief' onto white card. Die-cut with the largest circle of CR1360.

Die-cut with the largest and one but largest circle (CR1360) a ring from chequered design paper (PK9143) and four rings from white card. Adhere the four white ones together with a transparent circle on top. Mount the ring from design paper on top. Lay sequins and beads in pink and white onto the stamped white circle. Adhere the ring with the transparent window on top. Your shaker card is now complete.

Die-cut a large white circle from white card and stamp a small text, for instance 'dankjewel'.

Fold this circle at 1/4th and adhere to the back of the card, creating a single-fold card.

Die-cut a label (LR0411) from white and mint green card.

Emboss the white one with dots (DF3431). Hold both labels together and cut off slantwise.

Make one label with a white top and a mint green bottom with a strip of gold-coloured card in between.

Stamp in black ink (Stazon) 'JJJ' onto a piece of vellum and cut out in banner shape.

Make a cluster with:

- a star (CR1353) from gold-coloured paper
- a heart from snow paper
- black thread
- a small black heart from Project NL stickers
- a sticker

Adhere and staple the cluster to the label.

Stamp 'jij maakt mij blij' onto a piece of white card and adhere under the cluster. Make a vellum envelope from two labels (LR0411) and fill with sequins. Adhere the white and mint green labels and the vellum envelope together slantwise. Tug a cut-out rose (PK9143) and a label from gold-coloured paper in between. Splash black Ecoline onto a 15 x 15 cm white card and set aside to dry. Adhere the labels to the splashed card. Finish off the card with a cluster of banners in the bottom left-hand corner.

Die-cut the smartphone-shape with CR1359 and CR1390 from gold-coloured paper and craft foam. Adhere together with a piece of transparent plastic in between as a window.

Stamp 'Joepie' onto another piece of transparent plastic using black Stazon ink. Cut three banners from black and white card and pink design paper. Stamp 'Jij bent jarig' onto the white banner and cluster the banners. Adhere and staple the plastic and the banners to the bottom of the smartphone.

Die-cut the largest rectangle (CR1390) from pink design paper. Stamps balloons with thread onto it. Die-cut circles and hearts confetti (CR1392) from gold glitter paper (CA3121) and lay in the window of the smartphone.

Adhere the pink rectangle onto the back of the gold-coloured smartphone, creating a shaker card.

Cut a black and gold-coloured banner and adhere in the top left-hand corner onto the window of the smartphone, together with a gold-coloured heart (CR1392).

Stamp a pattern of hearts and stars onto 10 x 25 cm white card. The pattern of the stamping-download can be found on makerisme.nl/kjmd. Adhere the smartphone and the white card onto black card. Finish off the inside of the card with a chain and a suitable text.
