## General instructions:

Read the measurements as follows: the sizes in cm are indicated as: first you see the height and then the width. So 10 x 5 cm means 10 cm high and 5 cm wide.

## Materials:

Creatables: LR0435 (Petra's Poinsettia), LR0488 (Petra's Christmas border), LR0491 (Tiny's Decorated Christmas tree), Die cut and embossing machine, Clear text stamps: CS0991 (Fijne Kerstdagen), Distress ink: weathered wood,

Memento ink: cottage ivy, rhubarb stalk, Decoupage sheet Tiny: IT598 (Christmas trees), Design paper bloc: PK9151 (Royal Christmas), Papicolor card: Original: silver grey (902), lavender (921), pearly white (930), Christmas red (943), light grey (957) and Metallic: platinum (335), botanic (336), Snow paper: CA3104, Decoration paper: CA3127 (silver), Vellum, Enamel dots: PL4511 (cold as ice), PL4510 (gold and silver), Glitter glue, Flat-backed pearls: CA3132 (white), Satin ribbon: VV1012 narrow stars 6 mm (white)

1. Cut a 21 x 15 cm pearly white strip (a little bigger than needed). Adhere the stencil with low tack tape at the top and die cut/emboss with the machine. Turn the paper.

2. *Tip:* to measure the position for the pattern at the opposite side: place the picture on the pearly white against the embossed pattern. Adhere the stencil to the right-hand side next to the picture using low tack tape and die cut/emboss the border with the machine. Cut off the top above the embossed pattern in a straight line. Cut off the bottom edge at 1 cm down from the embossed pattern.

3. Cut a 14.4 x 9.5 cm strip from silver-coloured card. Adhere the picture to silver 2 cm down from the top. See photo 5.

4a. Cut a 21 x 13.8 cm pearly white strip for the lower border. Attach the stencil (see photo 1) to the top using low tack tape and die cut/emboss the border with the machine. Cut a 2 cm high strip from design paper with stars. Stamp the text in black ink. Place the strip on pearly white and cut to size.

4b. Score and fold the bottom next to the design paper with stars. Make another fold after 1 cm. The height of the lower border (measured in the centre of the tip) is 6.5 cm. Sizes: 6.5 cm (lower border), 1 cm fold, 1 cm fold, 14.4 cm.

4c. To prevent the lower border from falling forward secure it with ribbon (see photo). Mount the design paper with stars on top.

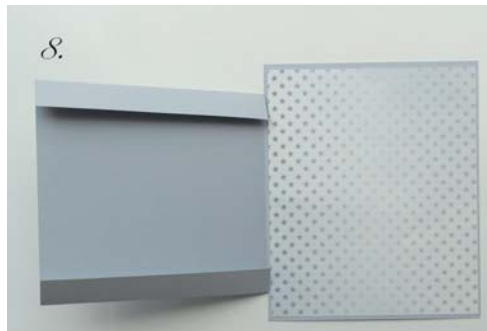

5. Die cut/emboss the Christmas border for the top as per example from pearly white and Christmas red. Adhere together. Then mount on top of silver (see photo 7).

6. Cut 14.4 x 13.7 cm from red design paper (PK9151) and adhere to pearly white (see x in the photo).

7. Adhere the part with the trees to the red design paper. Die cut/emboss the trees from silver grey and botanic.

8. Cut a 17.5 x 29 cm lavender strip. Fold and unfold again. Make a 2 cm incision into both ends of the fold. Score the card front at 2 cm in from both sides, fold inside and adhere. Cut 13.8 x 16.7 cm design paper with stars for the back.

9. Adhere the part with trees to the front of lavender. Fold the ribbon around the card front and adhere at the back. Die cut/emboss the poinsettia from vellum, light grey card, snow paper and two leaves from platinum.
