Materials used for both cards:

Collectables: COL1458 (Arrow Sentiments), Creatables: LR0009 (Stamp Master), Die cut and embossing machine, Mask stencils Tiny: PS8009 (Leaves), PS8010 (Pinecones), Layering stamps Tiny: TC0865 (Sunflower), TC0866 (Robin), Amsterdam acrylic paint: Azo light yellow, Azo orange, sap green, Archival ink: leaf green, shadow grey, Stazon ink: timber brown, Distress ink: mowed lawn, salty ocean, tumbled glass, vintage photo, walnut stain, Gelatos: blood orange, Design paper pad: PK9146 (Côte d'Azur), Gelli plate, Post-it notes, Scrapper's floss, Sisal grass

Tip layering stamps:

The order in which to use the colours is stated on the packaging. Select the ink colours or use paint and a blending foam sponge to ink the stamp. The stamp master is a practical tool to help stamping the layers exactly on top of each other.

Work the top of a 14.5 x 14.5 cm white single-fold card with leaves (PS8009) and distress ink. Make a plain green border along the bottom. Adhere a 15 x 5 cm strip of design paper along the top and a 15 x 1 cm one along the bottom.

Use a piece of water colour card and stamp a border of sunflowers using the stamp master. Stamp the same sunflowers onto Post-it notes, cut out and use to mask the sunflower border. Then create the background. Cut off this card at 12 x 8 cm. Work with distress ink and add leaves. Ink the edges and make yellow and white splashes on the background. Mat on white and then adhere to the card. Stamp a sunflower and two leaves, cut out and adhere together with a tuft of sisal grass and a bow of floss. Finish off with a die cut arrow text.

Cut a 11.5 x 15 cm white single-fold card.

Use an 11 x 14.5 cm Gelliplate print and work the background with leaves (PS8009).

Ink the edges with distress ink salty ocean and use a blending foam sponge to apply blue ink/paint onto the background. Use tumbled glass distress ink to make a few pinecones (PS8010).

Adhere to the card with a strip of design paper along the top.

Use a piece of water colour card and stamp the robin using the stamp master. Use your fingers to apply a little gelatos-red to create extra depth. Cut the card around the robin, leave its tail intact, into a 5.5 x 9.5 cm rectangle. Stamp an extra image onto a Post-it note, cut out and mask the bird. Create the background using distress ink, a blending foam sponge and the stencil of the leaves. Ink the edges, mat on white and adhere to the card.

Complete the card with an arrow text.
