Cut a 16.5 x 30 cm strip from white card. Score folds at 7.5 cm and 15 cm; cut off a 3 cm border. Using a bone folder will help making sharp folds. Die cut the circles (KJ1729) and glue to the base card. Colour the circles and narrow strip with water colour paint. Set aside to dry. Die cut the hearts and colour in. Die cut the label and stamp the text 'Er is er één...' (KJ1729). Stamp the presents and work them any way you like. Trace the piggy bank onto card, using the outer lines. Repeat this onto pink card, now using the inner lines. Use glitter paper for the eye, nose, mouth and ears. Cut out and assemble. Do not glue the part behind the money slot, to make it possible to insert money. Glue the piggybank on the first flap of the card. Position the letters 'Hoera', the banner with text and hearts. Add a small black circle to the eye. Die cut the letters 'Jarig' (KJ1729) from glitter glue and position them inside the card. Finish off as shown.

Stamps/die cutting set by Karin Joan: KJ1701 (Geniet Joepie, balloons used), Craft stencil by Marleen: PS8027 (Piggy Bank), Card: Sparkle pixie dust and pink, Glossy Accents shine medium, Wobbly eye

Work Bristol smooth card with water colour ink and set aside to dry. Trace the stencil of the piggy bank onto the border of a large piece of card using the outer lines; the space above the piggy bank will be needed to create a top-fold card. Then score a folding line, with the tips of the ear and tail touching the line. Fold the card in half and carefully cut along the outer line. Trace the piggy bank also onto the card worked with water colour ink and now use the inner lines. Cut all out. Use glue to position the ears and feet parts on the right places and use foam tape for the nose and rest of the body to create a 3D-effect. Do not glue the part behind the money slot, to make it possible to insert money. Apply glossy accents to the nose and adhere the wobbly eyes. Die cut the word 'Feestje' (KJ1728) from pink card and glitter paper. Stamp the text 'slingers + ballonnen=' (KJ1729). Cut into a banner. Stamp the balloons, work with water colour paint and cut out.
