Materials used for both cards:

Creatables by Petra: LR0627 (Winter), LR0628 (Berries), LR0629 (Cotton), Die cut and embossing machine, Distress ink: walnut stain, Stamp pad Memento: northern pine, Stamp pad: white, Decoupage sheet: VK9582 (Frozen Forest), Pretty Papers design paper pad: PK9165 (Brocante Winter), Papicolor card Original: chocolate brown (919), dark brown (938) and olive green (945), Metallic: pearlwhite (330), Shiny pearls: D110 (red), Cotton wool pad (for cotton plant)

General instructions:

The measurements in cm are indicated like this: first you will see the height and then the width. So, if you see 10 x 5 cm, this means 10 cm high and 5 cm wide. Lace is adhered with doubled-sided tape.

Extra needed for card 1:

Distress ink: faded jeans, Stamp pad Memento: gray flannel, Stamp pad: black, Papicolor card: Original: nut brown (938), grey (958), Metallic: metallic (334), Snow paper: CA3104 (glitter), Dew drops: PL4515, Shiny pearls: D109 (pearl-white), D110 (black-grey), Lace: K1020 (grey 13 mm), Organza ribbon: CG1004 (white 15 mm)

1 Take a grey A4-sheet. Fold in half and open again. Score (whole width) at 6.5 up from the bottom. Make a 6.5 cm incision into the fold.

Fold both flaps inside. Lay the card down as shown in photo 1. The back is on the left. The front is on the right.

Cut off the front slantwise from 5.5 cm (measured from the top of the centre fold) to 3 cm measured from the bottom.

2 Take blue design paper and cut it slantwise in the shape of the bottom of the card. The left side is 8.5 cm high, the bottom 14,3 cm wide and the right side is 2.6 cm high. Adhere the blue design paper to the grey card.

3 Fold the flap of the card front inside. Cut off slantwise and adhere. Fold the grey top part inside too and adhere to grey.

4 Cut blue design paper into 14 x 14.2 cm and adhere to grey. Fold the flap of the right bottom part backwards, it will be 5 cm high. Cut off 1.5 cm of this flap along bottom.

5 Place the card as shown in the photo. Arrange the 37 cm long organza ribbon as shown. Adhere to the back of the card.

6 Adhere the grey lace along the top of the flap. Adhere the flap on both sides (leave the centre open).

Die cut/emboss the large round border (LR0627), the border at the top with flower and the small stencil for the two ribbon flaps from pearlwhite, two holly leaves from olive green and 2x half a snowflake from snow paper.

Stamp a text if you like.

Die cut/emboss the next circle size from Metallic and adhere as shown.

Die cut/emboss the picture from the decoupage sheet using the central ring and adhere it to light grey, raised with 3D-glu.

Die cut/emboss the berries from dark brown and chocolate brown, the twig of the cotton plant from nut brown and the flowers from a cotton wool pad. Adhere to the card as shown. Finish with pearls.

Extra needed for card 2:

Distress ink: dusty concord, frayed burlap (twig cotton plant), Papicolor card Original: mauve (937), mango (940), night blue (941), mocha (953), Decoration paper: CA3127 (silver), Lace: K1004, cream 22 mm, Rhinestones: CA3136

Folding the card:

Cut a 21 x 28.5 cm night blue strip. Fold in half and open again. Score (whole width) at 4 cm up from the bottom. Make a 4 cm incision into the fold from the bottom up. Fold the flaps inside. Do not adhere them yet.

Cut for the inside: two 15 x 13.8 cm mauve rectangles and for the flaps two 3.7 x 13.8 cm strips of design paper. Adhere both flaps on the sides (leave the centre open). Turn the card, creating a top-fold card with the flaps on the left.

Card front:

Cut 13.7 x 16.6 cm mauve card. Adhere to night blue. Adhere lace along the bottom of the card. Cut 12 x 15.5 cm night blue and 11.5 x 15 cm design paper. Adhere together.

Then adhere night blue raised with 3D-gluе to the bottom, see photo 2.

Die cut the flower border from silver-coloured card and adhere centrally onto the lace.

3 Die cut/emboss with LR0627 the large border, the border on top with the flower and the small die for the two ribbon flaps from pearlwhite (work with dusty concord), two holly leaves from olive green and 2x the semi snowflakes from silver. Die cut/emboss the next circle from dark brown. Adhere everything as per example given.

Use the inner ring to die cut/emboss the picture of the decoupage sheet and adhere to dark brown, raised with 3D-gluе. Die cut/emboss the berries from mango and chocolate brown, the twig of the cotton plant from mocha and the flowers from a cotton wool pad. Adhere as per example given. Finish with pearls and rhinestones.

Materials used for all cards:

Craftables: CR1483 (Trees by Marleen), Craft stencil: PS8045 (Mountains by Marleen), Stamp pad: VersaMark, Embossing powder Stampendous: white EP100, Snow paper: CA3104 (glitter), Mirror paper: CA3134 (gold), Papicolor card: Original: raven black (901), light pink (923), pearly white (930), baby blue (956), taupe (961) and petrol (962), Recycled kraft grey (322) and brown (323), Pretty Papers design paper pad: PK9164 (Winter days by Marleen)

Extra needed for this card:

Craftables: CR1485 (Deer by Marleen), Clear stamps: CS1036 (Hallo Winter texts by Marleen-NL), Papicolor card Original: dark brown (938)

Draw three mountains onto pearly white card along the outline of the stencil. Draw the mountains next to each other to form a whole. Cut them out together. Turn the mountains over, draw them again onto pearly white card and cut out again. Take the three mountains for the back panel of the card and score a horizontal line at 7 cm down from the highest peak.

Fold this top part over and adhere to the back of the other mountain range. The card can now stand by itself.

Use the innerlines of the stencil to decorate. Draw them onto the reverse side of (design)paper. Do not forget to turn over the stencil, to avoid drawing a mirror image. Adhere the cut-outs to the mountains. Cut a wavy strip of snow paper and adhere, raised with 3D glue, at the foot of the mountains. Finish with trees, a deer, stars and a text.

Extra needed for this card:
 Craftables: CR1484 (Fox by Marleen), Creatables: LR0574 (Flower Frame-Round, used for large circle), Clear stamps: CS1037 (Hello Winter sentiments by Marleen-GB)

Cut a 15 x 15 cm pearly white top-fold card and adhere 14.5 x 14.5 cm light blue card and 14 x 14 cm design paper. Adhere together. Use the large die of LR0574 to die cut a circle and adhere centrally. Draw two separate mountains around the outline of the stencil onto pearly white card. Use the innerlines to decorate the mountains. Do not forget to turn over the stencil, to avoid drawing a mirror image. Adhere the mountains with 3D-tape. Finish with trees, a fox, stars and a text.

Materials used for both cards:

Craftables: CR1361 (Borders with stitches-Waves and Clouds), Creatables: LR0631 (Tiny's Snowmen), Die cut and embossing machine, Decoupage sheet: IT613 (Tiny's Snowmen), Pretty Papers design paper pad: PK9165 (Brocante Winter), Papicolor card Original: pearly white (930), dark brown (938), black (901), navy blue (969), red (918), Craft tape: LR0010 (low tack), Tweezers: LR0015

Extra needed for his card:
 Creatables: LR0630 (Tiny's Logs), Distress oxide ink: black soot, Blending tool

Cut a 13.5 x 13.5 cm pearly white blank card. Die cut five white frames of logs and adhere together with a picture behind. Ink the frame with distress oxide ink black soot and a blending tool. Die cut a wavy snow border from 6 x 13 cm white card and adhere behind the frame in a way that makes the snow border from the picture continue onto the card. Then adhere the frame and snow border onto 13 x 13 cm design paper and cut off any extra paper at the sides. Ink the edges and adhere to the card. Die cut the shapes needed from different card colours. Assemble the snowmen. Adhere the figures to the card using 3D-tape here and there to create a 3D-effect.

Extra needed for this card:
 Craftables: CR1331 (Basic shapes with stitches-Circles), CR1398 (Punch die-Birds), Creatables: LR0618 (Anja's Folding die-Circle XL), Enamel dots: PL4515 (Snow and ice), Gel pen: white

Die cut a long card and a large snow crystal from white card (cut in half). Die cut a circle from design paper and two semi-circles from white card and four from design paper. Die cut two white circles and cut into two wavy borders of different heights. Die cut the picture and place between the snow borders. Die cut the shapes needed from different card colours. Assemble the snowmen and adhere to the inside and outside of the card. Finish the card with enamel dots and draw stripes and falling snowflakes onto the outside of the flaps.

Materials used for both cards:

Craft stencil: PS8034 (Post card), Stamp master advanced: LR0029, Stamp pad: black, Stamping paper: white, Craft sheet, Masking paper

Extra needed for this card:

Silhouette stamps: CS1040 (Christmas), Stamp pads Memento: bamboo leaves, rich cocoa, Distress ink: mowed

lawn, mustard seed, twisted citron, Papicolor card Original: black (901), Christmas red (943), Kraft paper, Gel pen: white

Use the craft stencil to draw two 11.8 x 7.5 cm rectangles onto stamping paper, cut out and colour in with distress inks to achieve a pretty background. Add more pressure for darker colours, if needed. Sprinkle with water and set aside to dry. Press the stamp pads multiple times onto a craft sheet. Spray to water it down a little and press the stamping paper onto the ink multiple times to achieve smudges.

Leave to dry. Use the stamp master and stamp images in black ink onto the background. Stamp the bears in brown Memento ink. Stamp the houses onto masking paper and cut out. Secure these masks to the background with craft tape and stamp the large trees with green Memento ink. To create trees of a vague colour, load the stamp with ink, but stamp on scrap paper first before stamping the trees in the background of the scenery.

Tear off a strip of masking paper and use it to create a hilly landscape with distress ink mowed lawn.

Colour the roofs and wheel covers with a white gel pen.

Decorate the Christmas trees with white dots.

Adhere the stamped card to a 12.2 x 7.9 cm black card and a further 12.6 x 8.3 cm Christmas red one.

Lay the craft stencil onto 28 x 9.5 cm kraft paper and draw the outline of the post card 2x, one of them in mirror image. Score a fold in the centre. Cut out and adhere the stamped card.

Extra needed for this card:

Silhouette stamps: CS1039 (Halloween), Text stamps: CS1018 (Dream), Distress ink: carved pumpkin, dusty concord, mustard seed, rusty hinge, salty ocean, spiced

marmalade, wilted violet, worn lipstick, Stamp pad Memento: sweet plum, Papicolor card Original: purple (946), Sky blue (949), baby pink (959)

Use the craft stencil to draw a 17.8 x 11.8 cm rectangle onto stamping paper and cut out.

Cut a 5.5 cm Ø circle out of masking paper. Adhere this circle at the location where you are planning to create a moon. Colour the surrounding card with distress ink salty ocean, wilted violet and worn lipstick. Remove the circle and spray the coloured location with water and leave to dry.

Then secure the masking paper, from which the circle was just cut out, to the coloured location and colour in the moon with distress ink carved pumpkin, rusty hinge, spiced marmalade and mustard seed. Remove the masking paper.

Use the stamp master to stamp images in black ink onto the background.

Tear off a strip of masking paper and use it to create a hilly landscape with distress ink dusty concord.

Stamp texts along the sides of the card using Memento ink.

Work the edges of the card with distress ink dusty concord.

Adhere the stamped card to 18.2 x 12.2 cm sky blue and a further 18.6 x 12.6 cm layer of baby pink.

Draw the outline of the craft stencil onto 20 x 14 cm purple card and cut out the scallops. Adhere the stamped card.

Materials used for both cards:

Die cut and embossing machine, Stamp pad: Archival cobalt, Card: blue, pearly white and night blue, Craft tape: low tack, Gel pen: white

Extra needed for this card:
Clear stamps by Marjoleine:
MZ1905 (Snowman)

Cut a 7.5 x 11.5 cm blue card and stamp the birds. Stamp the same birds onto thin paper and cut out. Lay these masks onto the stamped birds and secure with craft tape. Stamp the snowman, signpost and text. When removing the masks, you will see the birds still intact.

Stamp two mittens onto a blue scrap. Cut out leaving a narrow border. Draw white accents.

Cut a 10.5 x 15 cm pearly white blank card. Stamp ice crystals along the borders. Adhere an 8 x 12 cm night blue card and the stamped card. Adhere the mittens with 3D-glue/foam tape.

Extra needed for this card:
Clear stamps by Marjoleine:
MZ1906 (Christmas baubles)

Cut an 11 x 11 cm blue card and stamp the bauble in front.

Stamp the same bauble onto thin paper and cut out. Lay this mask onto the stamped bauble and secure with craft tape. Stamp the other baubles and the text. When removing the mask, you will see the first bauble still intact.

Stamp a few stars. Stamp three bows onto blue card and cut out with a narrow border. Draw white accents.

Adhere the stamped card to an 11.5 x 11.5 cm night blue card. Using 3D-glue/foam tape mount these two layers onto a 13.2 x 13.2 cm pearly white blank card. Add the bows with 3D-glue/foam tape too.
