### Materials used for both cards:

Craftables: CR1529 (Fresh Flowers), Creatables: LR0692 (Anja's Square XL), LR0693 (Anja's Circle XS), LR0684 (Wood slices), Die cut and embossing machine, Pretty Paper design paper pad: PK9166 (Brocante Summer), Card: kraft

### Extra for this card:

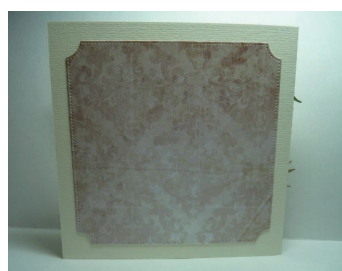

Creatables: LR0509 (Tiny's Butterflies), Stamps+dies set: CS1028 (Mini labels), Stamping pad, Decoupage sheet Mattie's Mooiste: MB0190 (Mini flowers), Card: ivory, green, Glitter paper CA3144 (platinum), Nuvo crystal drops: 656N

Cut a 14 x 14 cm ivory blank card. Die cut and emboss the largest square and the die with the open pattern together from design paper. Die cut and emboss the die with the open pattern and its cutting edge together from glitter card.

Die cut and emboss the circle from ivory and the picture with the smallest circle. Adhere the layers together, place the circle behind the curls of glitter paper.

Die cut design paper with the square die with hollow corners and adhere to the back of the card.

Die cut and stamp the mini label and complete the card as shown.

### Extra for this card:

Craftables: CR1518 (Envelope set by Marleen), Creatables: LR0525 (Anja's Border-scalloped border used), Design folder: DF3453 (Linen texture), Decoupage sheet Mattie's Mooiste: MB0191, Card: blue, green, Vellum, Adhesive flat-backed pearls: CA3132 (white)

Cut a 14 x 14 cm blue blank card, die cut the scalloped border along the right-hand side of the inner flap and die cut the circle out off the front flap.

Firstly, die cut the circle from 13.5 x 13.5 cm vellum and then emboss it with the design folder.

Die cut the decorative circle border from glitter paper by using the largest circle and the next size together. Adhere together, apply glue only behind the central border of the vellum to prevent it from showing.

Die cut and emboss for the right-hand inner flap: the large square with dots from design paper, the largest circle from glitter paper and the picture with the next size (once for the back of the card too).

Adhere the layers together and complete the front as per example given.

### Materials used for all cards:

### General instructions:

- Stamp doodle circles onto the card and apply white gesso in a circular movement of your fingers.
- Adhere to black card and a kraft blank card.
- Make the flower decoration with a tuft of sisal grass, tied with rope, a small flower with a pearl and leaves worked with metallic paint. Adhere with foam tape.

Cut 9.5 x 14.5 cm watercolour paper. Ink the mask stencil with the distress inkp pad peeled paint, spray water onto it and press onto the card in the right-hand bottom and top left corner. Dry with a heat tool.

Apply white gesso through the mask stencil and lay aside to dry.

Stamp flowers, 1e imprint in front and the 2nd vaguer one on the left.

Work the background with distress ink and a blending foam sponge, remove the ink with a tissue where gesso has been applied.

Stamp the circles (2nd imprint, vaguer one)

and apply gesso.

Colour in the flowers with the Posca-pen and then with distress ink. Make splashes.

Stamp and die cut the butterflies and flowers, work them with distress ink.

Complete the card with a text.

Cut 9.5 x 14.5 cm watercolour paper. Stamp parts of the script, flowers, circles and tiles randomly.

Apply distress ink brushed corduroy and broken china to a craft sheet, spray water onto it and dab in the card. Dry with a heat tool and repeat the process until you are satisfied with the result. Create a pretty ink blended background with the same ink colours.

Remove the colour from the flowers with a wet brush and colour in with distress ink festive berries, picked raspberry and peeled paint. Make splashes.

Stamp crackles with distress ink brushed corduroy, apply gesso to the circles and stamp a text.

Die cut the Art texture dots and cut a 3 x 7 cm card. Work it with black gesso and metallic wax, use black Archival ink to stamp the crackles. Adhere with glue and washi tape.

Stamp and die cut the dragonfly, colour in with distress ink and fix with foam tape.

Complete the card with a flower tuft.

Die cut vases and work the brown one with black gesso and metallic wax, the blue one with metallic paint and Inka Gold. Work the green bottle with white gesso and metallic paint, stamp crackles and apply metallic paint again. While drying it with the heat tool it started to bubble, a great effect!  
 Cut 9.5 x 14.5 cm watercolour paper. Determine the position of the vases and stamp the flowers in a position they will fit in the vases nicely. Colour in with distress ink.  
 Work the background with a blending foam sponge and distress inks: antique linen, bundled sage and brushed corduroy. Stamp the circles with black Archival ink (2nd

imprint, vaguer ones).

Create more texture with background stamps and distress ink bundled sage. Make splashes. Die cut the Art texture dots twice and work with distress ink. Tear or cut into pieces and adhere with a glue pen.

Stamp a hydrangea onto a separate piece of paper, colour in with distress ink and cut out. Stamp and die cut the butterfly and colour in. Adhere with foam tape and washi tape. Complete the card with a text.

**Tip:** gypsophila or dried flowers can be placed into the vases as well.

#### Materials used for all cards:

Collectables: COL1469 (Fruit by Marleen), Craftables: CR1530 (Cross-stitch XXL), CR1531 (Cross-stitch border hearts), CR1532 (Cross-stitch border plaid), Creatables: LR0599 (Sweet borders), LR0689 (Wool basket), Die cut and embossing machine, Clear stamps: CS1077 (Stikselteksten), KJ1721 (Gefeliciteerd), Pretty Papers design paper pad: PK7056 (Eline's Summer Picnic), Embroidery thread: Perlé or 6 strands of DMC, Embroidery needle, Card in different colours, Decoration paper: mat silver

Die cut the cross-stitch stencil from a white A6 sheet (10.5 x 15 cm).  
 Cut an 11.5 x 6 cm blank card in a colour matching the embroidery thread.  
 Choose three colours of thread, a light and dark one of each colour and embroider as per

pattern.

Stamp the text and die cut. Adhere together.

Select a sheet from the design paper pad and fold in half.  
 Cut an A6 sheet from white card, die cut the cross-stitch border and then embroider it. Select three colours of embroidery thread matching with the design paper. Die cut and emboss the fruit. Give the

embossed parts a darker shade with Copic markers.

Stamp the text and adhere the fruit with foam tape to create a little depth.

Adhere the embroidered card to the front flap of a blank card.

Select a sheet from the design paper pad and fold in half.  
 Cut an A6 sheet from white card, die cut the cross-stitch border and then embroider it. Use thread in gradient colours for the hearts. Die cut and embroider the basket and balls of wool in card colours matching the thread.

Use mat silver paper to die cut the knitting needles and scissors.

Stamp the text and adhere the embroidered card to the front flap of a blank card. Place the balls of wool into the basket and adhere with foam tape to create a little depth.
