

Materials:

- Creatables: LR0135 (Icicles), LR0203 (Tree), LR0307 (Rattle), LR0308 (Train)
- Pretty papers bloc: PB7041 (Hello Sweet baby)
- Clear stamp: CS0892 (Lief meisje NL)

Method:

Cut a card of 21 x 21 cm from white cardstock and fold in two.

Cut a strip of design paper of 10 x 20.5 cm, place the pattern on the design paper and cut out the middle piece.

Paste the design paper onto the white card, pay attention: only paste it on the grey part.

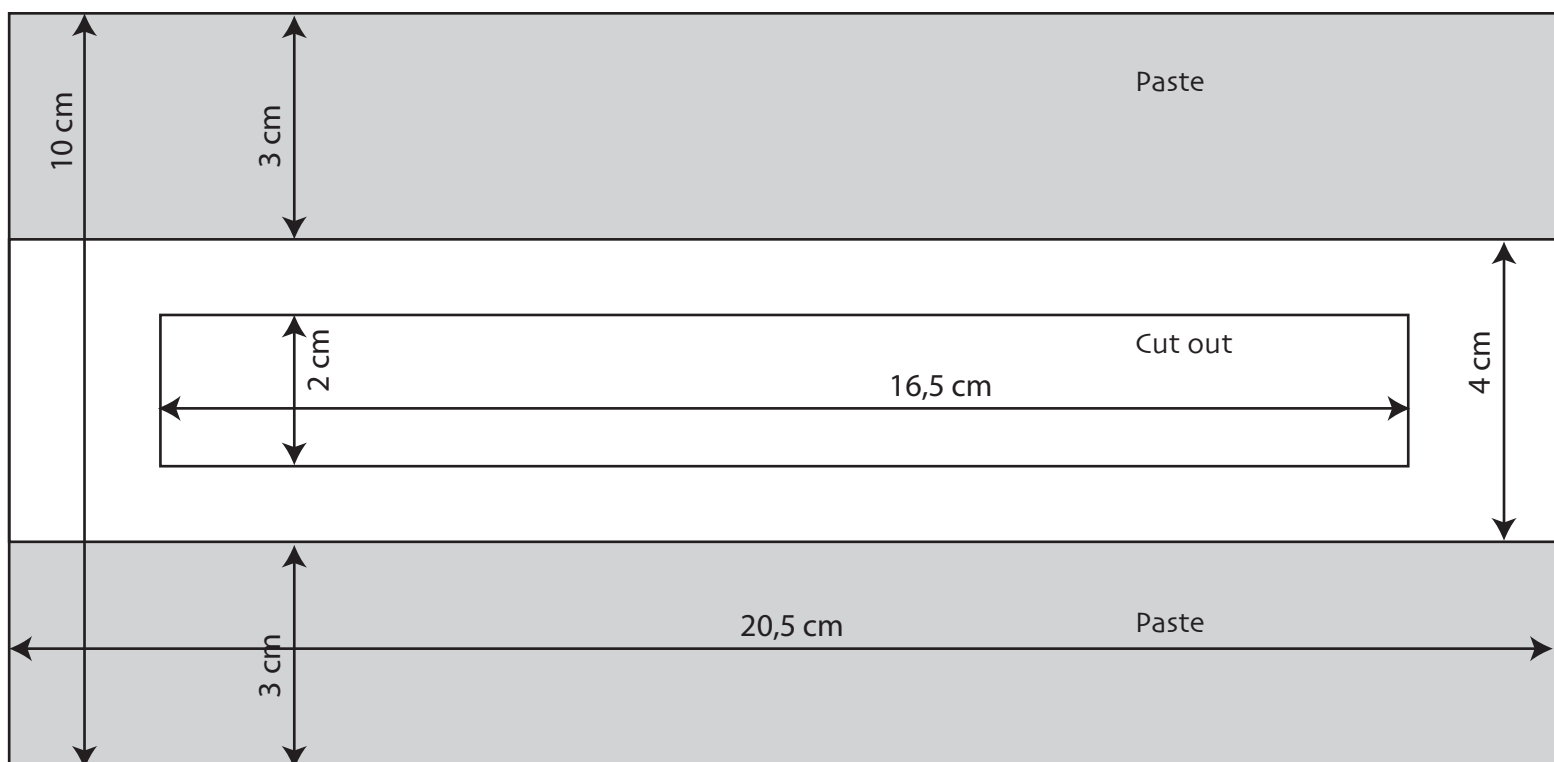

Cut a semi-circle from the right side.

Cut a strip of 20.5 x 4 from white cardstock and a strip of 20.5 x 3.5 cm from the design paper.

Paste the design paper onto the white strip, this is the slide strip. Attach a piece of ribbon to the side and slide it into the card.

Finish by decorating the card to your liking.

Paste the part that will slide with foam tape onto the slide strip.
